

ILM LEVEL 3 NVQ CERTIFICATE IN MANAGEMENT

ILM/L3NCIM/V5/0211

Introducing the qualification

The ILM Level 3 NVQ Certificate in Management is ideal for first line managers with a range of responsibilities including: allocating work to team members/colleagues/contractors, achieving specific results, managing financial and physical resources and some degree of decision making. The qualification aims to give learners an opportunity to develop their management performance, become more effective and to progress their career.

All of ILM's new NVQs are part of the Qualifications and Credit Framework (QCF), applicable in England, Wales and Northern Ireland, providing successful learners with transferable unit credit.

Learners take three mandatory units focusing on planning and allocating work for the team, managing personal development, setting objectives and supporting team members. They then choose from a diverse range of optional units to complete the qualification, tailoring their learning to meet their individual and organisational needs.
