

Information for Employers

We offer a unique, flexible, low risk and low cost way to train and qualify your staff.

We deliver Apprenticeship programmes in Business Administration, Customer Service, Retail, Sales, Hospitality, Care, Childcare, Supporting Teaching and Learning in Schools, Team Leading and Management our Advisers work with you to plan the most suitable programme of learning.

Our services are simple, efficient, cost effective and responsive.

- We carry out eligibility checks to ensure learner entitlement
- We confirm with you the potential Apprentices job role to ensure selection of the most appropriate Apprenticeship.
- We discuss and agree with you as the employer the contribution that you can make to support the Apprentice
- We set up all the associated government-funded training and we support the apprentice and you throughout the Apprenticeship
- We supervise the apprentice with regular performance reviews to ensure they perform well in your business. We do this for the life of the apprenticeship
